(Prunus cerasifera Nigra)

TO RESERVE A TREE, PLEASE PAY BY BANK TRANSFER
IT IS ESSENTIAL TO QUOTE THE REFERENCE AS SHOWN BELOW

Trees will be delivered and planted once the growing season is over, in Autumn/Winter 2025. This will give them the best chance to establish root systems before warmer weather arrives. New trees must be watered regularly for at least the first year. They will be sourced from a reputable professional nursery and planted by the Estate gardeners, and should thrive provided they are given the correct care. However, we cannot provide a guarantee.

Send your completed form and/or any questions to us at cherrytrees@hhgera.com.
