

## HANGER HILL GARDEN ESTATE RESIDENTS ASSOCIATION

**Help us transform a dark, overgrown  
space into a beautiful woodland garden!**

Hanger Hill Garden Estate Residents Association is working to raise nearly £50,000 to restore and improve the overgrown central reservation on Princes Gardens, and has developed a 'cherry trees' theme that will:

- Renovate the central gardens and make the Estate look even more beautiful
- Protect air quality and provide a biodiverse, nature friendly area
- Improve road safety with more places to cross and make it easier to see pedestrians crossing
- Replace dead trees and shrubs to be in tune with our heritage and adapt to climate change
- Bring the community together with gardening days and festive gatherings
- Offer an education resource for residents and local schools
- Discourage antisocial behaviour such as flytipping

**Now it's your turn to help.** A consultation circular has been delivered to everybody on the Estate, there's lots of information at <http://www.hhgera.com/gardens-project>, and members of the project team will be on hand to discuss the details at the next Playstreet on Monks Drive, from 2-4pm on 29<sup>th</sup> July.

**We need as many people and local businesses as possible to get involved, to share ideas and help persuade large sponsors and funding organisations to back the project.** You can:

- Email [consultation@hhgera.com](mailto:consultation@hhgera.com) to tell us what you think and to get involved
- Come along to **Monks Drive** from 2-4pm on 29<sup>th</sup> July to meet the team and see the plans
- Go to the crowdfunding website [www.spacehive.com/westactoncherrytreewalk](http://www.spacehive.com/westactoncherrytreewalk), where you can **register** and pledge money in support (you can give as little as £2)
- Email [cherrytrees@hhgera.com](mailto:cherrytrees@hhgera.com) to inquire about **business sponsorship**.
